We were very pleased to have Eric Aroca as our keynote speaker at our annual QuickBooks Unwrapped event held in January at Utah Valley University, sponsored by Squire & Company, TSheets, and several other software companies. He was an excellent addition to our program and captivated the audience with his inspiring message, "Live the Life You Have Always Imagined". The many business owners, bookkeepers, and accounting personnel who attended the conference were motivated by his stories and insights. His interaction with the audience kept them engaged and helped them apply his message to their lives.

I hope you will consider Eric as a great addition to your next event.

Sincerely,
